“Any Hope for Palestine, now or ever?”

Areej Masoud is a Palestinian Christian from Bethlehem who currently works as the Development & Communications Department Coordinator at Bethlehem Bible College. Areej is impassioned to speak up on behalf of her people and introduce the world to her reality, often hidden from mainstream media! A reality where access to basic necessities such as healthcare, education, water, shelter, freedom of movement and economic security is greatly restricted.

Opportunities to hear Areej

(stay tuned for updates by following us on Facebook and via our website)
